The competitor registered will receive all correspondence, notifications, and updates regarding Oaklea Mansion's Gingerbread House Competition via email. If the individual entering is under 18 years of age by the date of the competition, consent from a parent or legal guardian is required in addition to disclosing the minor's age.

Entry Categories

The following categories are available for entry into Oaklea Mansion's Gingerbread House Competition:

- Adult Category – Individuals age 19 and older
- Youth Category - Individuals between 5 and 18 years of age
- Traditional
- Non-traditional

Judging and Criteria

All entries will be judged on five criteria:

1. Overall Appearance
2. Originality and Creativity
3. Difficulty
4. Precision/Craftsmanship
5. Consistency of Theme

There is no overall theme for the competition. Entries are not limited to the structure of a house – any type of building or structure is acceptable. Competitors are welcome and encouraged to uniquely design their entry for the competition. Theme should be competitor's own and consistent throughout the entry. Decorative elements that are handmade will carry more weight than similar prefabricated items. All rulings by the judges are independent and final.

Size Limitations

Entry must be placed on a board base. Entries combined with a base must not be larger than 24 inches high, 24 inches wide, and 24 inches long. Weight is not to exceed 50 pounds.

Materials and Construction

Everything above the base of your entry must be composed 100% of edible materials. The main structure of your entry must be constructed of at least 75% gingerbread or cookie, some of which should be exposed.

If your entry is not made of edible material, you can still display your gingerbread house during the tours, but your entry will not be eligible for an award.

Edible materials are not limited to candies and icings. Use of gum paste, fondant, chocolate, modeling chocolate, royal icing, gelatin and pressed sugar is encouraged.

Any entry with non-edible components or using unapproved techniques will be automatically disqualified from placing in the competition. No artificial display materials, such as Styrofoam, interior lighting or other electronic components are to be used in the construction or decoration of the entry. Candies must be unwrapped and free of any non-edible materials, for example: lollipop sticks.

Entries must be solely constructed by the individual(s) entering the competition. Youth and Child competitors may be supervised, for safety precautions, by a parent, legal guardian, or classroom teacher. Example: assistance with operating a stovetop or oven.
